

Are You Ready To Get Outside?

Sharing our experiences since 2016

Here at Get Outside our mission is to empower others to explore the outdoors, challenge themselves, learn new skills, and have fun doing it.

We focus on getting badass women out exploring, connecting, and growing. But don't worry men, you're able to join sometimes!

Our aim is simple: to create the opportunity to get outside and enjoy the energizing power of nature. All you need are the right tools and a little bit of guidance.

That's where we come in!

Explore with us and we'll give you the knowledge to embark upon a life of exploration on your own.
